DETAILED ACTION

This Office action is in response to applicant's amendment filed on 05 November 2004.

Allowable Subject Matter

1. Claims 1-10 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 1-10 are allowed because the prior art of record does not teach or suggest, in combination with the other claim limitations, a method for manufacturing a semiconductor device that includes the steps of adhering a support member to an organic film formed on a substrate, removing a rear side of the substrate to expose embedded electrodes, and subsequently removing the organic film from the substrate in a removal step, wherein the organic film has chemical resistance to chemical substances used during a semiconductor substrate forming step and a film forming step and the organic film is at least dissolved in or peeled off from the substrate by a chemical substance used in the removal step.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
